

IT'S ABOUT....

HELPING PEOPLE HAVE BETTER LIVES!

Are you as “person centered” as you think you are?

Here’s a training to answer that question and enhance your skills to help people obtain better quality lives.

In this activity based intensive, two-day course, learn six key tools to bring back with you.

2 DAY PERSON CENTERED THINKING TRAINING

You will learn skills and tools with opportunities to practice them and think about ways to use them in your work.
