SB147 Overview

Virgena Wieseler:

- Steering committee comprised of all providers types has been meeting
- Prioritized provider types with youth care providers chosen to be in first rate modeling group
- Need to complete modeling by November

Provider Rate Setting Overview

Greg Evans:

- Modeling needed for Group Care, PRTF and Independent Living Centers
- Goal is to include all allowable and reasonable costs and allow the provider to cover the cost incurred for the provision of the service while incentivizing quality care
 - Not all costs are allowable for Medicaid or other federal fund reimbursement
- Reimbursement rates set using:
 - Other payer fee schedules
 - Cost reports
 - Provider surveys
- Currently each facility paid a unique daily rate
 - Moving to more standardized rate

Group Care Model

Sheila Weber:

- Completed in 2014
- Need to include minimum staff, including float staff
- In 2014, ratio was 75/25 Direct Care/Supervisor Staff
- Average pay for Direct Care \$13.27
- Average pay for Supervisors \$17.00
 - Combined average \$14.20
- Direct Care market rate \$16.38

Next Steps

- Recognize today's costs
- Analyze wage needs
