

Job Development Workshop

August 16-18, 2010

Watertown Event Center

Watertown, SD

Allen Anderson presents:

**Employment Outcomes
Professional II**

South Dakota Vocational Rehabilitation is pleased to offer the Employment Outcomes Professional II (EOP II) workshop at the Watertown Event Center in Watertown.

EOP II represents a 19-year evolution of job development training by Allen Anderson and his company DTG-EMP. DTG-EMP methods are field-tested, and Allen has trained over 15,000 job developers across North America. The Employment Outcomes Professional II workshop is a 3 day program that teaches the practical marketing skills needed for successful job development.

Training summary– *This workshop will give you practical strategies that will lead to increased employment outcomes, as well as higher quality jobs for candidates.*

Audience– Designed for vocational rehabilitation professionals and job development providers who work with individuals with disabilities.

- This workshop is offered free of charge.
- Register now– workshop size is limited to 50 people.
- Learn more by visiting DTG-EMP's website at: www.dtg-emp.com
