

# FFY 2011 Ticket to Work

Prior to January 14, 2008 when Vocational Rehabilitation consumers assigned their Ticket, it was being assigned as Outcome Payments. After this date all new cases were being assigned as Outcome-Milestone Payments.

On July 21, 2008 new regulations were issued for the Ticket to Work Program. These regulation changes made significant improvements in the Ticket to Work process, revenue potential, and new partnership options with providers. The following chart shows the payment structure of the Outcome-Milestone Payments.
