1. This rate does not include the Room and Board. The provider must collect the Room and Board portion of the payment from the participant unless subsidized by DHS. The CY2026 Room and Board rate is \$31.36 per day or \$954.00 per month.

2. This rate includes Room and Board. The State Optional Supplemental Assisted Living service rate is adjusted annually in January based on the Social Security Administration (SSA) Cost of Living Adjustment (COLA). The State Optional Supplemental Assisted Living service, also known as the Regular Assisted Living Program, rate is effective 01/01/2026.

3. Services with a percentage increase for tiering purposes billed at a per diem rate are subject to rounding rules in the MMIS payment system. Due to these rounding rules, the "billed charges amount" that are calculated by the provider may be slightly different (+/- ¢) from the reimbursement. This may occur when multiple dates of service are billed within a single claim. When billing for single day increments, rounding rules do not apply and will equal the amount shown on the fee schedule.

NOTE: All services must be authorized by LTSS in order to be reimbursed at the state rates.

NOTE: When the Medicaid State Plan is exhausted, the rate is limited to the lesser of the provider's usual and customary fee or the Medicaid rate contained within the fee schedule located at <https://dss.sd.gov/medicaid/providers/feeschedules/>.

NOTE: The State's reimbursement rates may not exceed the provider's private pay rate. LTSS Providers must attest to their established private pay rate, also known as usual and customary charge, at the beginning of each state fiscal year. To verify and attest to your agency's private pay rate, complete the Private Pay Rate Verification form located at https://sddhs.seamlessdocs.com/f/ltssprovider_privatepayrateverificationform.
