What is the Community Collaboration?

The Community Collaboration brings together a team to gather and review information regarding identified individuals, in order to provide person-centered supports and/or services to individuals that exhibit maladaptive behaviors.

Intervention & Support Specialists

The DDD Clinical Administrator and Intervention and Support Specialists are located regionally throughout South Dakota to facilitate the Community Collaboration on a local level.

Benefits of the Community Collaboration

- ❖ Behavior trends are identified early to facilitate a proactive approach
- ❖ Improve quality of life for individuals struggling with challenges
- ❖ Opportunities for on-site observations, support and action plans
- ❖ Assistance with functional behavior analysis and positive intervention implementation
- ❖ Innovation and creativity to address challenges
- ❖ Team approach

Entering the Community Collaboration

An individual may enter the Collaboration through one of three methods:

1. Tracking and identification by the Office of Clinical Administration
2. Referral from DHS DDD Program Specialist
3. Submission of a Collaboration request can be made through email to the clinical administrator

Front Door to Supports

- Single point of entry for those seeking DD service
- Assist those seeking supports to navigate all available options
- Determination of eligibility prior to service provision
- Feedback from a sample of people who have entered DDD services in the past 12 months via a telephone survey

Family Support 360 Waiver Renewal

- Renewal due to be submitted to CMS on March 1, 2022
- Regular updates and input will be gathered during the Family Support Council meetings
- Recommend adding waiver services to cover aquatic, music, and horse therapies
- Recommend adjustments to the AWC model to expand provider pool and improve service options

Open Comment

- Be considerate of other attendees - keep comments brief to give others an opportunity to share
 - Individual-specific situations & questions are best addressed privately - please contact DDD directly after this session
