Charting the LifeCourse  
Webinar Series

An opportunity to:

- Enhance and broaden your understanding of the Charting the LifeCourse Framework concepts.
- Build your confidence and capacity to use the Charting the LifeCourse concepts and tools in your own life or in your work.
- Learn a framework for thinking in a different way, having different conversations, new ways to plan, problem-solve, and do strategic thinking.

### “Good Life for All ”

The **Individual** will achieve self-determination, interdependence, productivity, integration, and inclusion in all facets of community life

**Families** will be supported in ways that maximize their capacity, strengths, and unique abilities to best nurture, love, and support all individual members to achieve their goals

---

---

---

---

---

---

---

---

---

---

7

Everyone exists within the context of family and community
