Add-On Payment Information Requirements for Individuals Requiring Specialized Skin or Wound Care

When Medicaid is the primary payor for a resident of a South Dakota nursing home, the facility may request an additional add-on payment above and beyond the normal nursing facility reimbursement for those individuals needing extraordinary care which is not addressed in the normal reimbursement methodology. Medicaid reimbursement for services provided to a recipient residing in state shall be the per diem rate plus a negotiated rate to cover additional extraordinary treatment.

The Department will negotiate with providers on a case-by-case basis to determine the negotiated rate for recipients requiring extraordinary care. Providers are responsible for notifying the Department of significant changes in an individual's condition. A new rate may be negotiated when this change occurs.

The add-on payment will be negotiated on an individual basis between the Department of Human Services and the provider. The negotiated rate shall be an all-inclusive reimbursement rate for all services and supplies furnished by the facility in the care and treatment of the recipient, except as otherwise agreed by the Department. The negotiated rate may not exceed the actual cost of the services provided to the recipient.

Extraordinary care includes caring for individuals requiring skin or wound treatment as defined below:

- Individual must meet the criteria for South Dakota Medicaid;
- Individual must meet the criteria for nursing facility level of care;
- Individual has a skin/wound issue demonstrating abnormal or delayed healing process;
and
- There must be a signed physician's order for treatment.

Individuals receiving specialized rehabilitation services are excluded from the add-on payment rate.

For consideration of the add-on payment, the following information must be submitted to the Department of Human Services' Division of Long Term Services and Supports (LTSS). Contact Michelle Hudecek RN, LTSS Nurse Consultant Program Manager by phone at 773-3656 or email Michelle.Hudecek@state.sd.us if you have any questions on the process.
