

**Youth Transition Services** - Services for youth 14-24 that promote self-awareness, self-esteem, develop advocacy and self-empowerment skills. Assists an individual to explore career options, including transition from school to post school activities such as post-secondary education, vocational training, employment, continuing and adult education, adult services, independent living or community participation. Youth/Transition Services category should only be used for a service that develops skills specifically designed for youth with significant disabilities between the ages of 14 and 24. For example, a 20 year old asking about any of the services listed in that category would not be assigned to that category unless they were coming through a program designed specifically for youth transitioning. Typically individuals assigned to this service category come through some particular program designed by a CIL to target this population with specific transition services.

This service does not require the IL client meet economic need.

Examples of Youth Transition Services can include:

- Provide summer transition programs
- Attend an IEP meeting
- Provide IL student assessment
